## INTERN FORM

The Summer Camp Intern program is sponsored by So Cal Youth and is directed by Terry & Kylie Skiles. This program will equip the intern in laying the foundation of ministry training and leadership for the future of the Youth Department.

The intern program will be a fast track to Youth/Children's Ministry training. It will provide a series of classes, as well as, hands on training and teaching. This is a Discipleship/Servant hood program that will develop each individual's specific ministry, their character, their integrity, and their personal relationship with Christ.

Not only are classes and Bible studies offered, but we also promote growth through team builders, activities, fun, work projects, and most importantly through our friendships that will give us accountability.

We hope you will consider interning with us this summer. It will be an awesome experience for all of us. Together, we will create memories for life and will IMPACT our world for God.
